

# We're learning about...

# BODY SHAPES

Our bodies can move through many different shapes.

STRAIGHT

CURVY

E  
D

ANGULAR

## Reflection:

Ask me to make a curvy shape using all my body parts. How about a straight shape? Angular? Twisted?

## Explore at Home:

Take turns making a body shape and copying each other's shape. Can you make a shape on a LOW level? What about a BIG body shape? How creative can you be?
