

We're learning about...

We can dance on three different levels.

LEVEL

High

Middle

Low

Reflection:

Ask me to make a big shape on a low level.

How about making a small shape on a high level and moving in self space?

Explore at Home:

Explore different ways to travel through space on each level. Incorporate different sizes in your explorations.

Color this page and bring it back to me. We will hang on our wall for all to see!
