

We're learning about...

When we dance, we can dance FAST or SLOW.

SPEED

FAST

SLOW

Reflection:

Ask your dancer-
Can you jump really fast?
Can you jump slowly?

Explore at Home:

Add speed to your everyday life.
How fast can you make your bed?
How slow can you walk up the stairs? Explore the extremities of speed and make your daily activities more exciting.

Color this page and bring it back to me.
We will hang on our wall for all to see!
